Church of Christ Starting Meeting Friday

J. T. MARLIN, Evangelist

A Gospel Meeting begins at the Church of Christ Friday evening, Oct. 5, at 7:00 o'clock, with Bro. J. T. Marlin of Shawnee, Okla., doing the preaching. Bro. Marlin is not only a successful evangelist, but an efficient minister. He is now in his third year with the congregation of the Shawnee Church of Christ, with the church having a membership of more than 500.

Bro. Marlin and Bro. Mardell Lynch, minister of the Church of Christ in Hamlin, are former classmates of Freed Hardeman College, Henderson, Tenn., class of '39.

The congregational singing is to be directed by Bro. Palmer Wheeler of Amarillo, Texas. He is a former instructor of music at Freed Hardeman College.

All are cordially invited to these soul-culturing services to hear the Gospel in Sermon and Song.

Mardell Lynch, Minister.

FUNERAL RITES SUNDAY FOR WILLIAM JOHNSON MAYNARD

William Johnson Maynard, son of Mr. and Mrs. A. B. Maynard, passed away on Saturday, Sept. 29, at the home of his parents. He was born on April 21, 1934, and was 11 years, five months and eight days of age.

Survivors include his parents; one brother, Roy Lee Maynard, of Borger; and three sisters, Margie, Bertie Ruth, and Shirley Ann, of Hamlin.

Funeral services were held at the Neinda Baptist Church Sunday afternoon at 4:00 o'clock, with Rev. B. J. Martin in charge. Interment was in the Neinda Cemetery under the direction of the Barrow Company.

Pfc. Cleo Perryman At Home "For Good"

Pfc. Cleo Perryman, son of Mr. and Mrs. J. W. Perryman, arrived at home Sept. 27 with his final discharge, after a service of 37 months in a Field Artillery Unit.

Cleo was born in Leon County on Sept. 25, 1910. He came to the Hamlin country in 1925 and attended the Dovie School. He was married to Miss Zelma Nail in 1942.

He entered the Army in August 1942; trained at Ft. Bliss, Camp La Guna, Calif.; Camp Pickett, Va.; Camp Davis, N. C., and sailed from Camp Shanks, N. Y., in February of 1944. He first landed at Liverpool, England, and on June 8, his battalion hit the shores of France as a part of the First Army. From then on to St. Lo (a place that can never be forgotten by American boys—Perryman says it was the most completely smashed place in all the world...not a living thing left)... from there back, the "round heads" had no chance to stop.

In the famous Ardennes Bulge, he faced the greatest battle the Americans perhaps ever had. Pfc. Perryman was in the 28th Div. which had the Keystone shoulder patch that the Germans called the "Bloody Bucket Div."—so from then on, that was its name.

In time, Perryman's Division got over into the deep Rhineland where the American divisions became so thick they had no room to fight and fell back to "occupying" the German territory. He has the ETO Ribbon with five battle stars, but the thing he loves best is that Discharge Button.

Perryman is by nature a farmer, and here is hoping he will locate in the Hamlin Community.

L. B. Pribble, of Hamlin, Texas, and Hobbs, New Mex., was here on Monday looking after business. He stopped in at The Herald to report that he and Mrs. Pribble had received a letter dated Sept. 14 from their son, Sgt. Foy Pribble, who was recently liberated from a prison camp in Japan. Foy was in Manila, P.I., and said he expected to be at home about Oct. 17. Their other son, Iris Pribble, received his discharge from the Army Sept. 21, at Ft. Bliss and is now at home helping his mother with the Pribble Bros. Floral Business. Mrs. Pribble has been looking after her sons' business while they served in the Army.

—O—O—

Back in 1880 it was considered an insult to receive a typed letter. The recipient's attitude was "I can read riting."

J. C. Bledsoe Gives Some Navy History

Editor's Note: Not much has been heard about J. C. Bledsoe, another Hamlin boy making history in the Navy, so the Herald is happy to be able to publish the following letter recently received from him by his mother, Mrs. Ted Bledsoe.

"Sept. 5, '45

"Dearest Mom and All, Well, since the censorship has ended, I guess I can tell you where I am. We are now in dry dock at Guam. We have been here only a week; came from Pearl Harbor. We came in on Monday to have our bottom scraped and painted, supposed to pull out at 1400 today. I figure we will be around here about 2 weeks. Do not even know where we are going—gut scutletbutt says we are going to Okinawa, then to Tokyo Bay to pick up some Jap subs, from there to the States, we hope. This ship has been out 24 months, so it is due to go back, probably to the East Coast of the USA. Hope so!

"Guam is a very pretty island—I think about the prettiest of them all. We have a liberty party that goes ashore every day, but we only get to go every four days so as to give everyone a chance. The only thing you do is go swimming, play ball and look at the scenery.

"Maybe I should start from the beginning of the time I left the States. I reported aboard the Hinsdale (APA 120) Nov. 15, 1944, at San Pedro, Calif. We left the States Nov. 30 and arrived in Pearl Harbor Dec. 6 and stayed here until Dec. 20; then to Maui in the Hawaiian Islands to pick up the 4th Marine Div. Arrived back at Pearl Dec. 26, went on maneuvers around Kohala for two weeks. Left Pearl on Jan. 10, arriving in Kaula for two or three days, then to Saipan; on to Tinian for 3 or 4 days; left Saipan Feb. 16 for Iwo Jima—my first invasion. Got to Iwo at 5:30 A. M. H-hour was at 8:45. For breakfast we had steak and eggs—some of the guys last meal! At 8:30 about 15 B-29's came over and bombed the island from one end to the other. We were about a thousand yards off shore and could see the action plainly. At 8:45 the first wave hit the beach. At 10:00 we got our first casualties. Then on Feb. 22 I went ashore and stayed 8 days. My first hot meal and shower felt plenty good. We had 250 casualties on board; pulled out and went to Saipan, but their hospitals were full, so we went to Guam and unloaded. Stayed at Guam 2 or 3 days, then back to Saipan. About a week later, we picked up the 2nd Marine Div. Then more maneuvers off Tinian. Then we left for Okinawa and arrived at 5:00 A. M. about two miles from shore. We could see the island plainly. About 5:30 A. M. Jap Zeros attacked; first they strafed us, then dropped one bomb, a very near miss. At 5:55 A. M. a Kamiazee (Jap suicide plane) came in very low on the water, hit our ship just above water line midship. I was on the fore-castle; shot down one plane before it ever reached us. This was April 1, 1945, April Fool's Day and Easter!

"The ship started sinking fast, listed badly to port, called all hands to abandon ship. I jumped about the same time as 800 others; stayed in the water about 4 hrs. Destroyer came along and picked us up. Carried us back to ship which had not sunk yet; finally, got it righted but it was very low in water. We were cautioned to be prepared to abandon again if a storm came up, because we could never have stayed about in a storm. We took the crippled ship to a small island, 16 miles away. It took us 8 hrs. to get there.

"I counted 17 killed and 25 wounded from our ship. We stayed here two weeks under air alert day and night and shot down five planes while there. Then we towed to the Carolines, stopped two days at the Philippines and got patched up. Took us a month from there to get to Pearl H. June 5. We're supposed to get under way to Brooklyn Navy Yard. Lucky me! I got transferred to the Eurzale with 7 others, to Australia, then back to Pearl. Then to Guam.

"This is just a rough sketch of my travels, will give details when I get home. Oh, yes, I got two Commendations from Captain; one at Iwo and one at Okinawa.

"Love to all, J. C."

Grogan W. Turner Died Suddenly Friday

A sudden death is always shocking in any community, but when it is one who is strong, fairly young, it is all the more hard to believe. And that was the feeling in Hamlin last Friday afternoon when it became known that death came to Grogan W. Turner after only a few hours of illness. He passed away at his home on Farwell Avenue at 3:15 P. M. Saturday afternoon, Sept. 28.

Grogan Turner was a barber in Hamlin since about 1916, except for the period he served in the Navy Air Force, after which he returned to Hamlin. He was constantly on the job in the Imperial Barber Shop, of which, in time, he became owner. Recently, to get needed help and relief, he sold an interest in his shop to Jimmy Simmons.

Mr. Turner, at the time of his sudden illness, was busy with a customer about 10:00 A. M. Friday. He felt a pain about his heart and stopped and rested for a while, went to the back of the shop, and finally said he thought he had better go home. Someone took him home in a car and a doctor was called. It seemed that no one was especially alarmed, and Grogan casually lay down on a couch, intending to return to work after a while. Later he went off to sleep and suffered the final attack. Death came at 3:15 P. M. In his going, Hamlin lost a man who was universally esteemed and loved.

Grogan Turner not only served his community in meeting demands of the public in his trade, but in other capacities. He had been a member of the Hamlin School Board, was Justice of the Peace several years, was a member of the Masonic Lodge, a charter member of the Hamlin Lions Club, and a member of the American Legion. He carried his life's tasks in an even-tempered manner, most times never complaining or expressing his inner feelings. He loved his country and was proud of his son's work in the Greatest World Navy. He kept going to the very last moment and just went off to sleep.

Grogan W. Turner was born at Itasca, Texas, and was 50 years and 12 days of age. On his last birthday, September 14, he and his two brothers enjoyed a reunion picnic at the Sweetwater Lake, all in fine health and happy.

Soon after coming to Hamlin in 1916, he went into the Navy and most of his time was spent in Florida. Coming back, he again took up his trade. He was married to Miss Georgia Ella Withers.

Survivors are his wife and one son, G. W. Turner, Jr.; his father and step-mother, Mr. and Mrs. S. W. Turner of Venus, Texas; two brothers, Lester Turner of Sweetwater, and Jack Turner of Dallas; and one sister, Mrs. D. B. Aldridge of Comanche, Okla. All came on receiving the shocking news.

The son, G. W. Turner, Jr., Coxswain in the Navy, and his wife were at home on a leave.

Funeral services were conducted at the First Baptist Church, Sunday afternoon at 3:00 o'clock, with a former pastor, Rev. J. Henry Littleton of Anson, and the pastor, Rev. B. J. Martin, in charge. Mr. Turner had been a member of the Baptist Church since his early teens. He was loyal to his faith, and will long be remembered for his wonderful bass singing and support of the church choir. Many floral offerings expressed the love and esteem of a wide circle of friends.

The Barrow Funeral Directors had charge of arrangements and interment was in the East Cemetery.

Out-of-town relatives and friends who came for the funeral were Mrs. J. C. Turner, and her parents, Mr. and Mrs. J. M. Williams, of Walters, Okla.; Henry Withers and family of Rotan; Mr. and Mrs. Claude Withers, and Lt. and Mrs. Euwell Leib, of Albany; and Miss Ouida Merle Withers of San Antonio.

Hamlin 4-H Club Boy Wins At Abilene Fair

Six Foundation gilts, one boar, one Poland China sow that won the county in the gilt show last year, and the pure-bred Jersey heifer that was awarded last year were shown in the Sears Special Show at the West Texas Fair last Friday, September 28.

Kenneth Holloway, Hamlin 4-H Club boy, took second place in the county gilt show winning 125 baby chicks. Earl Griffith, Avoca 4-H Club boy, won third, winning 100 baby chicks. Edward Palmer, Noodle 4-H Club boy, won fourth place, winning 100 baby chicks. Roger Lee Burfield, Noodle 4-H Club boy, placed fifth, and Joe Paul Howle, Hodges 4-H Club boy, sixth. The boys winning the baby chicks may have their choice of breed. The chicks will be delivered to the boys early next spring.

Bobbie Wedeking, Anson 4-H Club boy, won third place in the district boar show with his registered Poland China boar. Bobbie will also receive 100 baby chicks.

Dwade King, Anson 4-H Club boy, won first place in the open class of Poland China Brood Sows and a premium of \$7.50 with his pure-bred sow. Max King, Anson 4-H Club boy, won a white ribbon on his registered Jersey heifer and \$9.00 premium.

The above report is given by the County Agent, Howard C. Stanley.

"THIS WEEK" October 1-5—

—Jones County went wet...guess everybody knew that...since Friday of last week.

—Jones County is getting wetter...The weather man quit hinting...got down to business...don't worry, cotton is young, yet.

—Got a new idea Tuesday...going down the "Main Street" of Hawley, we found the smoothest street in all the towns, round about. Wonder if Hamlin, Anson and Stamford could make a deal with their "commissioners" to keep the streets nice like the Hawley people enjoy? It's a good idea, too.

—Got a ride this week with a discharged soldier boy...one who had spent so much time in Europe, making this country "safe" and a good place where people can make money...Every pretty farm he passed, there was a breath of longing to get some of the "abundance" of his home lands, and build a cozy little house for his wife and family-to-be...That boy said the wet was not wet like it was in the German Bulge last winter—over there he smashed a lot of garden-like fields, covered with snow.

—Now, comes that call for United Charities again...if we let down now, we leave the hungry, hopeless people our boys rescued, to a fate equal to the horrors of the murder camps. Let's give some of the good stuff we have made while our boys completed another chapter for freedom. It will make them feel better, too.

BRONTE MAN BURIED IN HAMLIN EAST CEMETERY

Wesley H. Smith, a former Hamlin man, age 52, of Bronte, Texas, was buried in East Cemetery Wednesday afternoon. Funeral services were held at the Hamlin Methodist Church with the pastor, Rev. E. L. Yeats, and Rev. L. K. Malone in charge.

Survivors are his wife and one son, Jesse Porter Smith, who is in the Navy stationed at Pearl Harbor; his father, S. R. Smith, of Oklahoma; and four sisters and one brother.

Death came suddenly, in San Angelo, while he was in a doctor's office for a physical check-up.

I GIVE YOU TEXAS

BY BOYCE HOUSE

Have you got a sailor boy in the family? Then you'll be amused by these verses from the Malakoff News entitled "A Brother's Complaint" and composed by David Dodd and his fellow sailors aboard one of Uncle Sam's fighting vessels:

Sis is going with a sailor;
At first it didn't faze us;
But now the family talk is full
Of sailors' salty phrases.
We found it rather hard at first
To follow all his speech
Since talk is different on board ship
Than it is "On the beach."

For when the time to eat comes
'round,
He sings out "chow" for "food,"
And always "stows it down the hatch,"

Which Grandma says is rude.
When talking during dinner,
He talks like other boys,
Except he calls the lettuce "grass"
And celery just plain "noise."

His salty talk is slangy
And hard to understand;
He calls the canned milk "iron cow"
And sugar he calls "sand."
The Chicken he calls "sea gull,"
The ketchup is "red lead,"
The waffles are "collision mats,"
While "punk" is just light bread.

We finally caught on, though,
And now are doing fine;
We say "six bells" for 3 o'clock
When we are telling time.
When ma goes to the city
Or runs down to the store,
And someone asks us where she is,
We say she's "gone ashore."

The place has sure gone salty,
Which makes me lots of trouble;
For when Ma says, "Come here,
Chop-Chop,"
I go there "on the double."
I wish that "tar" would "weigh his anchor"

And do what I often think;
"Point his bow" and "Trim his jib"
And go jump in the "drink."

Hamlin Sergeant Killed In Germany

S/SGT. WILLIAM R. WELLS

Pictured above is Staff Sgt. William R. Wells, son of Mr. and Mrs. G. E. Wells of Hamlin, who was killed in Germany June 4, 1945, within only a few days of the date he was to have sailed for home. He was electrocuted while repairing a radio in an Army mess hall somewhere in Germany.

Sgt. Wells had been in the service four and a half years and had been overseas 17 months, stationed at an 8th Air Force Flying Fortress base. He was a member of the 486th Bomber Group, a unit of the 8th Air Force, that was cited for its England-Africa shuttle bombing of the Messerschmitt aircraft plants in Regensburg, Germany.

A brother, Reginald Wells, was killed in action in Italy in May 1944. Besides his parents, three brothers, and one sister, Sgt. Wells is survived by his wife and a two-year-old son, William Jr., who live in Manchester, New Hampshire.

Awarded Purple Heart

Sergeant Milbourne D. Newland, son of Mr. and Mrs. William S. Newland, Rt. 1, Hamlin, Texas, was recently awarded the order of the Purple Heart for wounds received in action on Okinawa Island in the Ryukus.

As a rifleman in the 32nd Infantry Regiment of the veteran 7th Division, Newland was promoted to the rank of sergeant in the field as a result of his outstanding performance of duty. The Okinawa invasion was the first combat action for the 19-year old sergeant.

Sergeant Newland entered the Army in June, 1944, and has been overseas since January 1945. He is now stationed at a replacement depot on Saipan, in the Marianas, having fully recovered from his wounds, and is awaiting transportation back to his outfit.

S&S

FAR EAST AIR FORCES, Manila.—Completing processing at General George C. Kenney's Far East Air Force's 22nd Replacement Depot in Manila, prior to being redeployed to the United States, is Pfc. William C. Holden, of Dallas. He was assigned to the 5276 Aircraft Control Sq. of the 5th Air Force.

A veteran of 23 months overseas service, the 21-year-old private is authorized to wear the Asiatic-Pacific Theater Ribbon with three battle stars, and the Good Conduct Medal.

Before going to war, Private Holden was employed by the Smith Wrecking Co. He attended Hamlin High School. His wife and son live in Dallas, and his parents, Mr. and Mrs. F. E. Holden, reside in Hamlin.

About Soldiers--Sailors

The boys are coming in so fast now that it is impossible to keep up with when they come or who they are. Again we invite either their relatives or the boys, in person, to let us know when and who.

Pfc. Herman E. Sharer, whose parents live in South Hamlin, came over from Camp Hood last Saturday for a week end visit. Pfc. Sharer says he is still fighting the "Big Battle of Camp Hood" where he has already spent 37 months, and it is not over, yet. That's what makes "after the war" hard...the final wait, wait, wait to get out.

S&S

Mr. and Mrs. T. N. Hemphill are very happy this week. Their oldest son, S/Sgt. Ordin Fred Hemphill, is home from Germany and is now Mr. Hemphill. Their younger son, S/Sgt. Charles Wayne Hemphill is also at home. He came by home on his way to a camp in Louisiana, and when he learned Fred was to be home soon, he asked for and received a ten-day extension on his delay enroute. So the brothers are enjoying a visit with their wives and Fred's little daughter, and all of the family are looking forward to the time (soon, we hope) when the youngest brother, Cpl. Glendon T. Hemphill, will arrive home from Italy. Glendon has enough points to entitle him to a discharge.

HAMLIN GIRL RECEIVES DISCHARGE FROM WAC

Pfc. Myrtle McGinnis, daughter of Mr. and Mrs. J. R. Doby, Route 2, Hamlin, Texas, has been honorably discharged from the AAF at the Separation center at the Las Vegas, Nevada, Army Air Field, after 21 months of service. She was stationed at the Las Vegas field as a Propeller Mechanic. She entered the Army at Dallas, Texas, on Dec. 9, 1943.

A graduate of Hamlin High School, before entering the service, she was employed by the Consolidated Aircraft Corp., Fort Worth, Texas. She expects to join her husband at Chantrelle Field, Ill.

The promotion of Pvt. Thomas D. Smith to Private First Class has recently been announced by Borden General Hospital, Chickasha, Okla., where Pfc. Smith is undergoing medical treatment. His wife, Nelly, makes her home in Hamlin, Texas.

Texas' famous Fort Alamo at San Antonio was originally a mission church. It was converted into a fort during the War of Independence in 1836.

Elmer Feagan, Jr., arrived last Friday from Florida with his final discharge from the Naval Air Corps. Elmer had been down in the hot corner of the USA, and when he reached Hamlin in the rain and the north, he thought it was January in September up here. But he will soon be at home in this wet country.

S&S

Pfc. Roger Pitcock, son of Mr. and Mrs. J. S. Pitcock, received a discharge from the Army last week, after being in service since January 1942. He had spent 16 months in New Foundland and a year in Europe. He was a member of the 134th Infantry, 35th Division. Pitcock holds the Purple Heart, the Good Conduct Medal, and ETO Ribbon with several battle stars.

S&S

The many friends of Pvt. Brad Rowland are glad to see him back at home with his final discharge from the Army. His presence has been needed from many angles the past few weeks. His father, C. B. Rowland, has lost one of his legs from illness recently, and the presence of the big, strong son will be helpful to his recovery. Brad is the father of four fine boys and so after being in the Army since last March 22, he and his wife and family are again reunited and happy as circumstances will permit. Brad will soon resume his position in the Hamlin Post Office, where his many years of training fit him so well where he is so badly needed. His experiences in the Army include training at Ft. Sam Houston, Ft. Knox, Ky., and Ft. Ord, Calif. He was a Tank Crewman, doing everything on the task that is required.

Donley G. Williams, a Navy boy HA 1Tc (Hospital Service), came up from Fort Worth last week for a short visit with his parents, Mr. and Mrs. V. E. Williams, near Neinda.

S&S

Staff Sgt. R. E. Dobbins has been at home with his Army discharge since Sept. 19. He is now not only "Mr." Dobbins but "Daddy" Dobbins for already his son is three weeks old. He was born Sept. 13 at Abilene, and his name is Robert Edward, Jr. At that time "old Dad" was S/Sgt. R. E. Dobbins, and he says, "In my absence, the wife named a Junior"...that's OK, "Mr.", the boy will some day be up and as handsome as the former soldier.

Well, R. E. had been in the Army three years and four months. He served 28 months in the Canal Zone. He got to come home twice, and the first time was last Dec. 4, when he was married to Miss Pauline Fudge. R. E. is a son of W. B. Dobbins and has lived in and about Hamlin 18 years. He entered the Army May 6, 1942, and was a mechanic on air transport planes.

McCaulley Club Holds Interesting Meeting

The County Budget was a topic of interest discussed by the club president, Mrs. Lewis Boyd, at the September meeting of the McCaulley Home Demonstration Club which was held in the home of Mrs. Roscoe Perryman.

Family Relations and Home Management was the subject of Mrs. Geraldine McCullough, Home Demonstration Agent, when she stressed the importance of family budgets and women's knowledge of the family business.

Another interesting phase of the discussion was an exhibit of useful home-made household helps, including desks, serving boxes, shoe shine kits, and waste baskets. Other exhibits were gift suggestions: dolls made from men's hose, hand made bed jacket and slipper sets, and hand decorated towel sets.

Members attending were Mmes.

Fixing Up the Farm

Farm Fire Safeguards

OBSERVANCE of National Fire Prevention Week will mean more than usual to the American farmer this year. He will have a little more time and perhaps a little more help in making the repairs and installations necessary to prevent fires. The long war years have left a large backlog of this work and this has raised the farm fire peril to a new peak.

Since fire prevention is particularly important on the farm because of the limited amount of fire-fighting equipment, here are some steps to take to further safeguard the property: clean and repair chimneys, stoves, furnaces and

connections and ventilators; make a safety check of electric wires, connections and appliances; repair and install lightning rods; see that gasoline and kerosene are stored away from buildings; re-emphasize the need for care in use of lamps, lanterns, matches and in smoking habits; and provide water supply, equipment and a fire extinguisher to fight fires.

To prevent spontaneous combustion, be sure that hay is properly cured and roofs do not leak. Whether or not it is necessary to replace roofs, national safety organizations and most state experimental colleges recommend fire-safe roofing materials, such as asbestos cement shingles, to be used on all farm buildings.

I GIVE YOU TEXAS

(By BOYCE HOUSE)

David Harum cynically but humorously said: "Do unto the other fellow as he would do unto you—but do it first."

Of all the affectations of speech, the free, frilly and fancy over-use of "oneself" is about the worst. Instead of saying, "A man should be careful of his speech lest he give offense," your purist goes off the deep and thusly and to-wit, or maybe half-wit: "One should be careful of one's choice of words lest one give offense to one's listeners."

And someone should tell Hollywood publicists that there is nothing clever in referring to a cup given for the year's best performance as "an oscar." The award is presented for outstanding achievement and should not be cheapened by some silly term.

While on the general subject of movies, the theaters ought to set aside a section for those who go there to see and hear the picture and not for an hour's conversation. Such a section would not need to be very large.

Came across this bit of worse—I mean verse—somewhere:

Johnnie drove a Model T,
Harold drove a limousine;
Johnnie's girl lived 'cross the tracks,
Harold went with the campus queen;
But Harold is now a forgotten man
While Johnnie every girl admires;
Harold's limousine is on the rims—
And Johnnie still has four good tires.

"There's just two things the matter with that horse," the owner said to a man who was thinking about buying the animal.

"What are they?" the prospective purchaser asked.

"I'll tell you what one of them is and, if you buy him, I'll tell you the other one then," the owner replied. The prospect agreed.

"The first fault is that he's hard to catch."

"Well, I'm pretty active; I can catch him all right; here's your money; now, what's his other fault?"

The man pocketed the money and as he edged away, he answered, "In the first place, as I said, he's hard to catch and, in the second place, he ain't worth a darn after you catch him."

Breakfast Essential To Health, Says Dr. Cox

AUSTIN, Texas. — Because the time that elapses between the evening meal and breakfast the next morning is considerably more than that between other meals, an adequate breakfast is necessary to good health. Even during sleep, normal body processes continue to burn fuel. Breakfast is needed to replace that fuel loss as well as to furnish energy for the morning's activities, according to Dr. Geo. W. Cox, State Health Officer.

"Eating no breakfast or a poor one results in irritability, fatigue, and a mid-morning let down. A mid-morning snack will satisfy hunger but furnishes little of the protective foods the body needs. It serves also to dull the appetite for the next meal," Dr. Cox warns.

"Too many individuals think of breakfast as coffee and a doughnut grabbed while dressing for work or school. It has become a compromise between reaching work and school on time and a desire to catch that extra 'forty winks,'" Dr. Cox added.

An adequate breakfast furnishes one-fourth to one-third of the day's food requirements. Milk, fruit and whole-grain cereal, and bread makes a good simple breakfast easy to prepare and serve. In addition, it is well to include frequently an egg, some type of breakfast meat and waffles or pancakes.

"Once we have taken time to plan and prepare a good breakfast, we

Only a question of time...

Telephone factories are already turning out some of the equipment needed to serve the 246,000 persons waiting for telephones in the Southwest at war's end.

That stream will grow mightily in the months ahead. It will move slowly for a while of course. It takes time to manufacture and install new apparatus.

A telephone alone contains 248 precision parts. Switchboards and dial central office equipment for only 10,000 telephones must be designed to handle nearly 50,000,000 possible interconnections.

But we've made a start. We've turned the corner. We're on our way. Every month ahead brings us closer to serving all who want telephones without delay.

POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

Attending the West Texas Fair and races in Abilene on Thursday of last week from this community were Mr. and Mrs. Rufus Herbst, Mr. and Mrs. C. D. Jones, Mr. and Mrs. Geo. Darden, Mr. and Mrs. Alf Hemphill, Mr. and Mrs. P. S. Hemphill, J. D. Maberry and sons, L. B. and Willard, and Mr. and Mrs. Luther Maberry.

About four inches of rain fell in McCaulley Friday, Saturday, and Sunday, and it is still raining—all of which is very disgusting to the cotton farmer and ginner. 'Sho fine on wheat, though, which proves that there is always a silver lining in every dark cloud.

Doc Carter of the U. S. Army and Mrs. Carter visited her parents, Rev. and Mrs. C. E. Dick, last week. Soldier Carter has recently returned from France.

An uncle of the scribe, O. F. Darden of San Antonio, visited last Sunday night in the Darden home in McCaulley.

Received a nice, long letter from Howard C. Davison who had been on Admiral Chester Nimitz's staff for many months in the Pacific. Howard was sent to Tokyo on Sept. 11 on a special mission by Admiral Nimitz. He was flown from Guam to the Jap capitol and was perhaps the first Fisher County man to set foot in Tokyo after the Jap surrender. Glad to hear from you, Howard—er, we mean Lt. (jg) Davison of the United States Navy.

Johnnie Max Jones was home from McMurry over the week end. His room mate, Bill Schooler of O'Donnell, came home with him.

Lt. Paul Behning who recently returned from overseas and who has been discharged from the Army has been visiting here with his wife's parents, Mr. and Mrs. O. T. Hennington. Mr. and Mrs. Behning left for Tulsa, Okla., last week, where he will enter Tulsa University.

Sgt. Chester Graham and Mrs. Graham left last week for Chicago. Mrs. Graham is the former Frances Maberry. He was recently discharged from the Army after serving overseas in the European Theater.

Mr. and Mrs. Frank Moore and sons of Crosbyton visited her parents, Mr. and Mrs. C. E. Dick, last Sunday.

One of the Lightfoot boys who has been employed at the Royston Gin was seriously injured last week while at work in the gin. He is in a Rotan

hospital.

Mrs. Charley Dean is seriously ill in the Rotan hospital. Her home is in the Lawlis Flat.

It is with deep regret that friends of G. W. Turner, Sr., in this community learned of the sudden passing of this good man in Hamlin last week.

Pfc. A. J. Cook, son of Mr. and Mrs. Henry Cook, is home on leave after many months in Europe.

That's about all the news, with the exception that it is still raining here, and it is Monday night, Oct. 1.

Darden Dashes—

Horse racing is coming back to Texas—in fact, it is already taking the day with Texas folks. And down in Austin there still remains a bunch of old hypocrites who like to watch 'em run but still they figure that a majority of the voters would fall out with them, politically, if they turned on the green light for legalized racing in this State. It is only natural that horse racing is in Texas folks' blood, and any time there is a horse race, you are going to see a

little wagering or perhaps, big wagering. The same thing goes for football, basketball, base ball, etc. Why not get revenue for the State and legalize horse racing in Texas?

California has the best paved roads in the country, and California pays the largest old age pensions and a lot of the "dough" comes from legalized horse racing. O, yes, we know such talk isn't too popular with a lot of old moss-backs, but we don't hear a lot of preaching about the wagering on football games, all of which is illegal; it might hurt some college near and dear to the hearts of some people. They still race 'em and still bet on 'em—so might as well have par-mutual wagering. The King of Sports will always be horse racing to Texas folks and when you think of Texas, you just gotta' link up good "hosses" with the Lone Star State. There probably will be as many race horse fans in heaven as there are "checker players." When government officials shoot square with the people, then the people will shoot square with the government. After all, it's not the square miles that make a big town; it's the square people who live in it.

Pipers Defeat Indians 9-0 In Rain Friday

Showing a greatly improved Piper eleven, in spite of a down-pour of rain and a chilly wind from the north, the Hamlin team defeated the Haskell Indians on their home field last Friday night, Sept. 28, with a final score of 9-0. Doyle Dean handled the ball for the scoring pass. Jack Gray ran the ball across for the extra point, and Hamlin added a safety in the fourth period.

With their first conference game won, and a definite showing of improved form, the Pipers and Piper fans are looking for a stronger team as the season progresses.

This Friday night, the Pipers again play on their home ground. They will meet the Spur Bulldogs here at 7:30 P. M. for a non-conference tilt.
